# NOAH B JOHNSON

---

## SUMMARY

Data science student capable of bridging the gap between techno-babble and users. Proficient in multiple platforms and coding languages, and a strong independent learner able to pick up new concepts quickly. Currently seeking full-time data science opportunities and internship positions.

## WORK EXPERIENCE

INTERN, BUSCO ENTERPRISES INC., ST. PAUL, MN – SUMMER 2017

Assisted the regular staff in a multitude of ways including: competitor research, stock management, filing, & web-store management

OWNER, HEARTFELT TECH LLC. – SUMMER 2017-PRESENT

Started a charity web store for cell phone accessories and other electronics. The project is currently on hiatus during the school year.

ASSISTANT, ELEVENTY ONE STUDIO, COLUMBUS, WI – WINTER 2016

Helped the owners prepare for their taxes, manage social media accounts, and ship artwork to customers.

CO-WORKER, KWIK TRIP INC., COLUMBUS, WI – SPRING 2015-SUMMER 2016

Kept the store clean, stocked, and well-maintained. I also operated the cash register and assisted guests in the store.
